

Hello Parents,

Spring Break came and went quickly as it seems to do each year. But we hope all of our families enjoyed their time over the Break and were able to re-energize for what remains of the school year.

With the beginning of April, our students are already into their third week of fourth quarter. This quarter can be quite challenging with numerous projects, presentations, and ISAT testing that our students will participate in later this month (please notice the “No Late Start” day below due to ISATs) . We hope our students come well rested and prepared for the activities planned for them.

Here’s what’s ahead for this month:

- **April 13-** First track meet at Caldwell High School (4:00)
- **April 18-** Track meet at Ridgevue High School (4:00)
- **April 23-** ISAT testing for 7th grade science
- **April 27-** Track meet at Caldwell High School (4:00)
- **April 24—May 4 ISAT testing for both grades in English and math classes**
- **April 25- NO LATE START due to ISAT testing.** Regular day bell schedule (7:50-2:55)
- **April 30-** Track meet at Tiger Field (4:15)
