SATISFY YOUR CRAVING TO MAKE IT BIG

Students in grades 6 through 12 can enroll in a groundbreaking and exciting program that helps you start and run your very own, real company or social movement. The Young Entrepreneurs Academy, or YEA!, helps you develop your business idea or invention, put a plan together and pitch to a panel of investors to get

startup funding—just like “Shark Tank.” You’ll start as a student, and graduate as a CEO! YEA! is currently accepting applications from students in grades 6 through 12 and who are between the ages of 11 and 18 years old! Talk to your parents and visit www.yeausa.org to apply for a class near you.

****Boy Scouts can earn up to 5 Merit badges through this program!**
